We had understood that the locusts were arriving by 2, so hoped to get this call done before then. 2 was my initial internal proposal, but it did not fly. We can do 1 or I am happy to check into Wednesday. I, at least, am pretty open that day as well. Peter

Peter -- Earthquake on Tuesday, hurricane on Saturday. I wonder if it makes sense to plan anything as far ahead as next Tuesday.

Seriously, though, we can make 1, although we would prefer Tuesday at 2. Let us know. Thanks.

Due to a series of scheduling issues, Jon and I could participate in a conference call starting next week -- how about Tuesday afternoon (August 30) or Wednesday (August 31)?
